# NILES PARK DISTRICT
# 2018 SUMMER BASKTBALL
# TEAM PACKET

This packet is to help us make your 2018 Basketball Season an easy, organized and pleasant experience for you and everyone involved with your team. Please take the time to fill it out and e-mail it back to kkrueger@niles-parks.org or ryanw@niles-parks.org by the **June 1st deadline.** It'll take us 2-3 weeks to assemble the league so please make sure this packet is turned in on time.

***ALL PLAYERS MUST REGISTER INDIVIDUALLY** but it's easier and a lot more organized if coaches gather all their player registration forms and turn them in with this packet all at the same time. When you send parents in on their own there is always 1 or 2 who forget to register by the deadline and then there is no guarantee they'll be able to play.

**Please circle the grade your kids will be going into the Fall of 2018.**

Teams are allowed to play up a grade at their coach's discretion.
If a team has players from two different grades, they must play in the older grade level.

**TEAM RATING**

Due to the many different talent levels that travel teams, feeder teams, school teams or just a group of neighborhood kids have, we try to match up teams to play against teams that are equal to their talent level.

**Please rate your team A – B – C :_____ (if "B" then + / -)**

-"A" division games are the most competitive and "C" division games are the least competitive.
- If you choose "B", please indicate if you're a B+ or B- team. Depending on the number of teams, you may play teams in a higher or lower division.
- Once you determine your rating you will be in that division for the entire year.
- Some grades may be combined or top level teams may be bumped up.

# 2018 SUMMER BASKTBALL
# TEAM CONFLICTS

The best feature our Summer Youth Basketball Program is that we work around your known team conflicts. What we consider a conflict is not being able to field at least 5 of your registered players for a game. We will do our best to work with your schedule so please work with us by thoroughly researching your conflicts so there are no unnecessary forfeits. By forfeiting you not only take a loss but you leave your opponent with only 9 games.

*This is not your set roster. All players must be **individually registered** by June 1st.
*If a player is not registered by June 1st and you have less than 10 players, the Niles Park District reserves the right to add any player(s) to your team.
*We recommend having 10-12 kids on the team for the summer league due to vacations and other league games taking place so you're not left shorthanded.
