PARK SERVICES DEPARTMENT

The Park Services Department is made up of 9 full-time employees and 1 full time secretary. In the months of May through August the Park Services Department hires and additional 15 part time summer staff.

Duties and responsibilities for the department vary depending on the time of the year. During the months of March and April the pools are cleaned and pumps are serviced in preparation for the opening day in May. Other areas that are addressed within these months are the aeration, over seeding and fertilization of all ball fields, cleaning of all landscape beds, and preparation of the Districts annual flower planting. Mowing operations begin in April and end in November depending on weather conditions.

During the months of November through February the department maintains and repairs all equipment, repairs picnic tables, and identification signs. Snow removal becomes one of the major responsibilities during the winter. All sidewalks, parking lots, and walkways are cleared of snow and salted for the safe use by our patrons.

The Park Services Department stays current on all current recommendations of PDRMA and also attends various safety seminars. All playground equipment is routinely checked for safety and appearance.

The Niles Park District fleet currently is at 20 vehicles ranging from automobiles, pick up trucks, vans, and dump trucks. The fleet is monitored and repaired by the equipment foreman who is responsible for the upkeep and daily maintenance of all vehicles.

PARK SERVICES DEPARTMENT

The Park Services Department is made up of 9 full-time employees and 1 full time secretary. In the months of May through August the Park Services Department hires and additional 15 part time summer staff.

Duties and responsibilities for the department vary depending on the time of the year. During the months of March and April the pools are cleaned and pumps are serviced in preparation for the opening day in May. Other areas that are addressed within these months are the aeration, over seeding and fertilization of all ball fields, cleaning of all landscape beds, and preparation of the Districts annual flower planting. Mowing operations begin in April and end in November depending on weather conditions.

During the months of November through February the department maintains and repairs all equipment, repairs picnic tables, and identification signs. Snow removal becomes one of the major responsibilities during the winter. All sidewalks, parking lots, and walkways are cleared of snow and salted for the safe use by our patrons.

The Park Services Department stays current on all current recommendations of PDRMA and also attends various safety seminars. All playground equipment is routinely checked for safety and appearance.

The Niles Park District fleet currently is at 20 vehicles ranging from automobiles, pick up trucks, vans, and dump trucks. The fleet is monitored and repaired by the equipment foreman who is responsible for the upkeep and daily maintenance of all vehicles.

RECREATION DEPARTMENT

The Niles Park District Recreation Department is based on providing fun and safe recreational opportunities for all age groups from tots to seniors for the residents of Niles.

The Recreation Department consists of two full-time employees, eight part time registration/office staff, program instructors, preschool teachers and aides dedicated to providing top customer service, quality programs and services relating to the needs of the community.

Tot classes are offered for tots from twelve months to 5 years of age. Some classes provide interaction between parent and child. Other classes provide the child with their first classroom experience on their own, without their parent. Tot classes offer arts & crafts, sports, dancing, storytelling, cooking, singing songs and socialization. They are offered during the day, as well as, the evening to accommodate the working parent. Six enthusiastic tot instructors with a background in early education and experience working with tots and school aged children instruct these very important classes.

The Bright Beginnings Preschool Program is offered for three and four year old children. The philosophy of the Preschool Program is learning through play. It offers parents a quality choice for their children's beginning education based on the Niles Park District reputation. Activities in art, music, movement, cooking, games, storytelling and dramatic play will help nurture the development of self-control, physical coordination and social and cognitive skills. Classes are offered in both the morning and afternoon. Classes are taught by six teachers with Bachelor's and Early Education degrees and three teacher's aides experienced in working with children. Teachers and aides collaborate together to produce strong, quality preschool programs. They are dedicated and have positive attitudes towards the parents and young children.

Summer camps are designed to give children of all ages a summer to remember. Parents can feel confident that their children will be looked after in a fun, creative and safe environment. Camps are offered at a variety of times and days, including before and after care.

Special events are an important part of the Niles Park District. These events are created to bring the residents of the community and the Park District together. We provide safe and entertaining events for the community.

Experience The Rewards!

TAM TENNIS DEPARTMENT

The Tam Tennis and Fitness Complex was added as a Park District facility in 2001. The facility has 8 indoor tennis courts, 1 racquetball court, workout facility, aerobic room, locker rooms with whirlpools and sauna, and a full service pro shop.

Tam tennis offers a variety of programs ranging from junior players to seniors. Emphasis is placed on fun, health, and the social benefits that are gained from playing the game of tennis. Focus is placed on the personal growth of the players as the instructors set and achieve their tennis goals at every level. Each player is encouraged to enjoy tennis as a rewarding sport for a lifetime.

The club also offers many fitness programs ranging from aerobics, a workout facility, and karate classes. These new programs stimulate the heart and lungs, improve body tone, increase energy and stamina, and promote awareness of an individuals condition. The instructors try to motivate people to enjoy what they are doing.

AQUATICS DEPARTMENT

The Niles Park District Aquatics Program is based upon providing the community with instructional and fun classes, well-maintained facilities, a professional and knowledgeable staff; and above all, a safe experience.

Parents can introduce their newborns to the water environment in Aqua Tots and Parents. Preschool Swim then allows the 3-5 year olds to become an active and social participant in a group setting. For further progression, Levels 1-7 acclimates the swimmer to independent floatation, culminating with refinement of the four major swim strokes. Participant to instructor ratios will be lowered to 5:1 to deliver more personal attention and quicker results.

We also offer an Adult Learn to Swim Program as well as Private Lessons catering to those who prefer 1:1 instruction and a Swim and Trim class for those wanting to stay fit and cool. In all, the NPD offers swim instruction everyday with approximately 1000 participants throughout the summer.

As for open swim, Oasis Waterpark is expected to attract over 50,000 visitors during the 2011 season. Memorial Day through Labor Day, the aquatic staff will be dedicated to maximize the hours available to swim. Swimmers will be greeted by courteous cashiers and deck attendants, be kept safe in the hands of over 55 lifeguards certified through Starfish and Associates, and supervised by managers hired for their maturity, leadership qualities as well as organizational and communicative abilities.

Snow removal becomes one of the major responsibilities during the winter. All sidewalks, parking lots, and walkways are cleared of snow and salted for the safe use by our patrons.

The Park Services Department stays current on all current recommendations of PDRMA and also attends various safety seminars. All playground equipment is routinely checked for safety and appearance.

The Niles Park District fleet currently is at 20 vehicles ranging from automobiles, pick up trucks, vans, and dump trucks. The fleet is monitored and repaired by the equipment foreman who is responsible for the upkeep and daily maintenance of all vehicles.

TAM O'SHANTER GOLF COURSE

Tam O'Shanter Golf Course can be trace its history back to the famous Tam O'Shanter Country Club. In the 40's and 50's the club hosted many of the premier golf tournaments.

George S. May, owner of the original eighteen hole country club, paid tournament winner Bob Toski the sum of fifty thousand dollars for his victory in 1954. This was during the time when tournament winners were receiving between a thousand and two thousand dollars for their P.G.A victories.

A year earlier Lew Worsham's 104 yard eagle on the final hole of the tournament gave him a victory in the 1953 World Championship of golf. Worsham's nine iron shot remains one of the most famous shots in golf history to this day.

Today the Niles Park District owns and manages the Tam O'Shanter golf course, now a nine hole par 33 course that is known throughout the area for its country club type maintenance and superior guest service.

Over 40,000 rounds are played annually and the course hosts many leagues and charitable outings.

PARK SERVICES DEPARTMENT

The Park Services Department is made up of 9 full-time employees and 1 full time secretary. In the months of May through August the Park Services Department hires and additional 15 part time summer staff.

Duties and responsibilities for the department vary depending on the time of the year. During the months of March and April the pools are cleaned and pumps are serviced in preparation for the opening day in May. Other areas that are addressed within these months are the aeration, over seeding and fertilization of all ball fields, cleaning of all landscape beds, and preparation of the Districts annual flower planting. Mowing operations begin in April and end in November depending on weather conditions.

During the months of November through February the department maintains and repairs all equipment, repairs picnic tables, and identification signs. Snow removal becomes one of the major responsibilities during the winter. All sidewalks, parking lots, and walkways are cleared of snow and salted for the safe use by our patrons.

The Park Services Department stays current on all current recommendations of PDRMA and also attends various safety seminars. All playground equipment is routinely checked for safety and appearance.
