

### What is Team Compulsories?

Six skaters (or seven skaters for FS6-10 levels) perform a lively and entertaining routine in which each skater performs one required test level maneuver (in the order listed in the current edition of the *ISI Handbook*). Lively music with entertaining themes, great costumes and hand-held props are featured in this event. Skaters can compete on more than one team as long as those two teams are in different freestyle levels. Skater may skate above, but not below their own freestyle test level.

### Who can participate?

- Team Members must be members of ISI and Team IceLand.
- Skaters must have passed the ISI Gamma level or above with the test submitted to ISI.
- Skaters must be able to participate in all scheduled competitions, they should not miss any rehearsals however up to two excused absences will be permitted so long as they are not the last two before the events.
- Teams will be created by the skating director based on registration and levels of the skaters.
- We will be using costumes from the 2023 Spring Ice Show to keep cost down. We will try to use some of the music and choreography from the 2023 Spring Ice show to make the most of limited rehearsal time.
- *We will do our best to make as many teams as needed to accommodate all skaters who want to participate but, registration and team placement will be based on registration order.*
- Team members must travel to Minnesota in April for the MinneShowdown competition. Families must provide their own transportation and pay to stay in the assigned team hotel in Minnesota. Travel and hotel fees are not included in the fee.

**\*Registration must be completed by 12/1/23.\***
