Team IceLand
NILES PARK DISTRICT

2022-2023

Welcome!

Dear Skaters and Parents,

The Niles Park District is excited to offer you the opportunity to become a member of Team IceLand! We are a Figure Skating Club providing the skaters of Niles IceLand the chance to be a part of a team. Team IceLand's primary goal is to foster a high sense of involvement and team spirit amongst our skaters and families. We target ISI competitions that we attend together. Our goal is to have skaters compete in individual, couples, and team events in order to try to accumulate as many team points as possible for Niles IceLand to place well overall at ISI Competitions. When the team as a whole places highly skaters will feel a sense of excitement and take pride in their individual and group accomplishments. We encourage skaters to begin the path of their LTS USA and USFS skating opportunities through information, education, and participation within these organizations. We are excited to have formed a new partnership with the USFS Windy City Figure Skating Club and Niles IceLand this year. You have the opportunity to join the comradery and Team IceLand. You have the opportunity to help us grow! We hope you will sign up to be a part of this competitive season.
