POWER RANGERS

Power Rangers is the next progression in our hockey class levels after a successful evaluation from our ROOKIE RANGERS class. This class continues to cover skating at an intermediate level, as well as offering instruction on other skills of the game, including puckhandling, passing and shooting. We strongly encourage players who have joined a Rangers team to continue to work on their individual skill development by taking a Power Rangers class.

Pre-requisite: Players need to be evaluated and given the approval from the Niles Hockey Director before joining this class. Full equipment is required and players must provide their own equipment.

SUMMER HOUSE HOCKEY FUN AND DEVELOPMENT SKATES

It's Summer, come have fun and develop your skills. The first half of each practice will be focused on developing the hockey skills that are essential for each age group. The final half of each practice will allow the players to enjoy a game-like setting through full-ice and cross-ice scrimmaging, as well as small-area games that have teaching points. Each age group will meet once a week and the players will be divided into teams prior to each practice. Players should bring both a light and dark colored jersey to every skate. There is a limit of 30 skaters and 4 goalies at each age level. (Note: Levels may be combined if short on players and ice times are subject to change based on enrollment).

Pre-Requisite: All players must be registered for USA Hockey for the 2023-2024 season. No "AAA" players allowed.
