

Summer 2026 Hockey Classes

Registration: May 1-June 8 (\$5 late fee after June 8), No Classes: July 4

ROOKIE RANGERS

Our most basic hockey class. Designed for beginner skaters with an interest in playing hockey. Skills covered in this class involve all basic skating skills-push & glides, stops, turns, backwards skating, transitions and crossovers. Stick and pucks are used in class to give each child a "taste" of playing hockey. Full equipment is required. All basic equipment (skates, shin guards, elbow pads, gloves, helmet, skates & stick) is provided. Players who have their own equipment are also welcome into this class. **No make-ups for missed classes.**

Pre-requisite: Complete Intro class with approval of Niles hockey instructor or possess basic skating skills and be able to glide. Players must be able to stand on the ice without assistance, have the ability to pick up some speed and be able to balance.

POWER RANGERS

Power Rangers is the next progression in our hockey class levels after a successful evaluation from our ROOKIE RANGERS class. This class continues to cover skating at an intermediate level, as well as offering instruction on other skills of the game, including puckhandling, passing and shooting. We strongly encourage players who have joined a Rangers team to continue to work on their individual skill development by taking a Power Rangers class.

Pre-requisite: Players need to be evaluated and given the approval from the Niles Hockey Director before joining this class. Full equipment is required and players must provide their own equipment.

Niles Rangers Summer Hockey 3 on 3 Scrimmages

We know what the players want... More Scrimmages!!! Come have fun this summer at our Rangers Summer Hockey 3 on 3 Scrimmages! The structure of this clinic will be a quick warm up to get the players and goalies loose and then it's scrimmage time. The scrimmages will be cross-ice. Our goal is to keep the players on the ice each weekend, having fun and playing a high tempo of hockey with their friends. Players will improve their hockey IQ by playing in a smaller area which will force them to make quicker decisions out on the ice.

Pre-Requisite: All players must be registered for USA Hockey for the 2026-2027 season. No "AAA" players allowed. Full equipment is required.
